

# DEL NORTE HIGH SCHOOL

## Air Force Junior ROTC

5323 Montgomery Blvd NE  
Albuquerque, New Mexico 87109

August 2019

Dear AFJROTC Family,

On Saturday November 23, 2019, Del Norte will be hosting our 22<sup>nd</sup> Annual Duke City Drill Meet. As a part of this annual event, we will be running a semi-full service snack bar. It is one of the major fund raisers for the year, and the proceeds from these sales are used to support the unit throughout the year. Our young people work extremely hard everyday in class and in drill. They are the best and the brightest their generation has to offer and they need our help to continue their quest towards excellence. On the back of this letter you will find a list of the sale items that are needed. Please take a look at the list and see if your business or other businesses in your area may agree to make a donation that best works for them. Once you receive a positive answer please send the item, or the promise, to school with your cadet.

I am writing to you with this request for your assistance because your Del Norte High School Air Force JROTC gets no Air Force funding for activities. This includes buses to attend drill meet competitions and the entry fees for these events, field trips, help with the expenses for the Military Ball in the spring so the students can afford to attend. The military ball will not be free but fund raising will help keep the cost down and make it a memorable experience.

If a business requires a request letter from me let me know. If they would like us to hang a banner at our event as a sponsor then we will. As a minimum we will have a poster up with all donators listed. If you can assist us with donations of time or supplies (list of supplies on back), we will have a meeting in late October. Please feel free to contact me anytime at work, 883-7222, ext 43231 or e-mail me at [michael.lamb@aps.edu](mailto:michael.lamb@aps.edu). We look forward to your response.

Michael F. Lamb, Col, USAF (ret)  
Senior Aerospace Science Instructor DNHS
